SATURDAY, FEBRUARY 23, 1889.

Road Construction. The value of macadamized roads is unquestioned. A short excursion into the country upon a wet day will convince the most skeptical. Business and pleasure demands that streets

whom are now matters of interest. In East Orange and Orange the work has been done by the Township Committee or City Council, and ashas been assessed upon the township ance of 106, averaging 21 per class. at large. In the former places it has usually been a pavement from fifteen ing. A number of receptions were given to twenty inches deep, in the latter them and also a pienie which was doubtinches deep.

Both methods have their advocates. The main streets of a town or city are order to secure more unity and fellowship mitteemen. used by all the inhabitants. There is among those of their own number and Chief Engineer of the Fire Department, some justice in requiring that all grade, and thus produce better service in T. Howell Johnson, sent in his first annual should pay for it. Yet if this is done by the township, the side-streets and the suburbs are pretty sure to demand boys manifest in the work and with what Committee, its reading was listened to an appropriation for their benefit.

Assessment upon the property, on the other hand, involves heavy payments by some who find it difficult to raise the money, and run the risk of the church. Frequently do we hear the There were 11 fires during the year, the having their property sold for taxes. boys say that the Y. M. C. A. is the only losses ranging from \$5 to \$5,000. Several does not give entire satisfaction.

the ways in the decision of this mathave committed the people to a sys- realized the fulfillment of our earlier that a greater supply of hose was needed, tem of property assessment along the predictions, that the Boys' Branch will also that the ladder service was deficient, streets for their improvement. The constitute a most valuable and prominent the longest ladder possessed by the old plan places all appropriations for high rates of taxation since the cost and a hearty welcome into our midst. of roads and sidewalks instead of being met by assessments upon property along a street, must needs go from 340 to 600. into the general levy. Those who complain of high taxes should remember this fact. Where taxes are low the expenses of street and sidewalk improvements are borne as assess-

The necessity for large appropriations for road and sidewalk construction, for they stand on much the same footing, has led to another result. The people want the roads and sidewalks, but complain of the high rate of taxation. Hence, the desire to bond the township, so that a future generation may bear the expenses. sented in our columns and is receiving some support. It is worth careful plan of township disbursements for road purposes. Shall the township pay for macadamized roads and sidewalks, or shall property-owners upon the several streets pay for them?

The committee appointed to obtain subscriptions to the capital stock of committee were given authority to call a meeting of the stockholders at and the completion of the organizization be complete within sixty days. | port of this noble cause. As it is not designed to commence business before June 1st, an earlier oaganizatian would be impracticable. There is no apparent reason why the bank should not be opened for business at that time. Fifty per cent of the subscriptians to the stock will be payable June 1st, and 10 per cent 113 Active Members. each month thereafter until the whole 26 Associate 20 Sustaining stock shall be paid up.

Y. M. C. A. Report of General Secretary, Jan. 30,

To the President and Board of Directors | Rent of Rooms, of the Young Men's Christian Association: GENTLEMEN :- We are about to sum up in a brief report the transactions of another year of work for the Young Men's | Fuel. Christian Association of Bloomfield.

While it is feared that our recent arrival in your midst, and a lack of definite knowledge concerning the past operations | Periodicals, of certain phases of your work, may pre Cyclopedia vent us from doing full justice to what has been accomplished and to those whose services are enlisted in the cause, we yet hope that the facts herein stated will encourage all who manifested a desire and contributed for the promotion of the society, and enlist the services of others in the work.

all things were created. The following is a brief account of the

work in some of its different departments: Attendance at rooms for year, Daily average, Active membership, Jan. 1, '88,

members added during year, Total active membership, Jan. 1, Number Asso, members, " Sustaining "

Total membership, Increase over last year. Number of Directors meetings, Attendance, . . . Average, Number of Committee meetings,

NEWARE, N. J., May 14th, 1887.

Crescent Drug Co., Newark, N. J.:—I wish to add my testimonial to the many you have already published for the wonderful cures accomplished by Crescent Sarsaparilla. I am in the employ of Mesers. George A. Halsey & Sons, manufacturers of Patent and Enameled Leather, Spring-field avenue, city, and it is my duty to attend to the fires and boilers in the engine room. I caught a heavy cold this winter, and soon after was attacked with rhe-matism. My limbs became so stiff and sore that I could work only with the greatest difficulty and discomfort.

Soon I was compelled to remain at home almost Soon I was compelled to remain at home almost every other day, as I suffered such agony in the boiler-room that I could not do my work. Finally my case became so bad (and medicine did me no good) that I went to the City Hospital for treatment. The physician there pre-cribed for me, but I grew worse. Then I went to St. Michael's Hospital and was treated for my complaint by two of the best physicians in the hospital when I say that Crescent Sarsaparilla saved my when I say that Crescent Sarsaparilla saved my when I say that Crescent Sarsaparilla saved my when I say that Crescent Sarsaparilla has done this. It has not only cured me of my sickness, but it has enabled me to return to my work, upon which my life depended. All of the work men in the factory know of the facts in my case, and Crescent Sarsaparilla is being used throughout the factory with excellent results. I hear nothing but praise for it anywhere. I am confident that I do not put it too strongly when I say that Crescent Sarsaparilla saved my misfortune to me, as my daily bread was dependent upon my labor. By this time my suffering was indeed great. I could not sleep you this his cry of my experience with Cres ent nights, and I found that I had lost twenty-three Sarsaparilla, and hope that it may be the means rounds in dash in a short time. pounds in flesh in a short time. I had no appe-tite and could not retain food on my stomach. a tria. You have my full permission to publish in the morning I longed for night to come so or print this testimonial as may seem best to that I might sleep, and at night when I could you. I also wish to say that this testimonial get no rest and tossed uneasily upon my bed, I has been offered by me voluntarily, without longed for the day again. Altogether I was in a any solicitation on your part.
